

Tier #1 Buyer Program

BASE Investment Corp's new Tier #1 buyer program provides buyers with exclusive high quality companies to invest in that are looking to grow, or owners that are looking to retire for complete buyouts. These companies are not available to the open market.

BASE offers a Tier #1 buyer program that provides our buyers with exclusive North American deal flow that is direct with the business owners, sector specific, and not running through an auction process.

The new Tier #1 Buyer Program is designed specifically for buyers that want to close a deal in the next 90-120 days which also aligns with what the business owners are also looking to achieve in a transaction.

Why Sign Up?

If you are an equity group, private company, or private buyer and are focused on closing a new acquisition within the next 90 days, this Tier #1 program is designed for you.

We offer:

- Exclusive opportunities
- Industry specific
- First to see in your segment
- Deal directly with company owners not sell side agents
- Ability to build relationships
- Focused business owners looking for partners
- Dedicated to closing on transactions

About Us

Since 1999, BASE has been providing a deal flow process that is unique for every client.

BASE has built a model of working only for buyers. We service:

- 1) Private equity funds looking to locate unique businesses with great stories and industry roll ups.
- 2) Private buyers that are looking to expand regionally by making acquisitions.
